² This lowered rate is related to the students:

- ☛ who benefit from a « year off » (= année de césure)
- ☛ who are registered at the same time to get a double degree at Grenoble INP - UGA
 - ☛ In the case of a double-course Engineering course / Master course, the registration in the Engineering course is considered as the main registration whose fees are to be payed at the full rate ; the lowered rate of the tuition fees applies as for it to the Master course whose registration is then taken into account as a second registration.

³ This amount is the result of a decision validated by the Board of Directors of the institution
