

CALENDRIER - APPLICATION CALENDAR

CAMPAGNE DE RECRUTEMENT EN ADMISSION SUR TITRE -RECRUITMENT CAMPAIGN 2026/2027

Formation	Date d'ouverture	Date de fermeture	Date des entretiens	Date de diffusion des résultats
Program	Opening date for application	Closing date for application	Interview date	Acceptance notice
Ingénieurs- <i>Engineer</i>				
1A	12/01/2026	22/03/2026		Calendar week 22
2A				
1A MT Apprentissage			from 27 to 30/04/2026	Calendar week 19
1A MEP Apprentissage				Calendar week 19
 2A Nanotech	01/12/2025	International students : 16/03/2026 Phelma students : 30/04/2026	from 23 to 27/03/2026	03/04/2026
Masters 1- <i>1st year of master's degree (M1)</i>				
 M1 Cognition Naturelle et Artificielle (CNA)	Main application round Monmaster : 17/02/2026 Application FSA : 15/12/2026 Application 'Etudes en France' : depending on the embassy Additional application round For programs in which seats are still available after the main application round Monmaster application only : 19/06/2026	Main application round Mon Master application : 16/03/2026 FSA application : 16/03/2026 'Etudes en France' application : depending on the embassy Additional application round Monmaster application only : 25/06/2026		Main application round Mon Master application: 03/06/2026 FSA-Etudes en France application : 30/04/2026
M1 Génie Electrochimique pour la conversion et le stockage de l'énergie (GECS)				Additional application round : Monmaster application only : 10/07/2026
 M1 European Mas. Innovation in Nuclear Energy (EMINE)	5 sessions from 15/09/2025 to 02/11/2025 from 10/11/2025 to 11/01/2026 from 19/01/2026 to 01/03/2026 from 09/03/2026 to 19/04/2026 from 27/04/2026 to 01/06/2026		On going basis	5 sessions Early December 2025 Early February 2026 Early April 2026 MI-mai 2026 Fin juin 2026
 M1 Materials Science for NUClear ENergy (MANUEN)	15/11/2025	16/05/2025		On going basis
 M1 FAMEAIS : Functional Advanced Materials Engineering with Artificial Intelligence for Sustainability	Candidats to the Erasmus Mundus scholarship : 15/11/2025 Self-financed candidates : 16/01/2026 Local student : 16/04/2026	Candidats to the Erasmus-Mundus Scholarship : 15/01/2026 Self-financed candidates : 15/04/2026 Local student : 30/06/2026	Candidats to the Erasmus-Mundus Scholarship : From end of January Self financed candidates : From end of March Local students : From end of June	Candidats to the Erasmus-Mundus Scholarship : End of March Self financed candidates : End of April Local students : Between middle and end of July
Masters 2- <i>2nd year of master's degree (M2)</i>				
 M2 NanoMédecine Biologie Structurale (NBS)	Main application round Application FSA : 15/12/2025 Application 'Etudes en France' : depending on the embassy Additional application round For programs in which seats are still available after the main application round FSA application only : 19/06/2026	Main application round FSA application : 16/03/2026 'Etudes en France' application : Depending on the embassy Additional application round FSA application only : 25/06/2026		Main application round 30/04/2026
M2 Energétique Nucléaire (EN)				
M2 Photonique et semi-conducteurs (PhSem)				Additional application round FSA application only 10/07/2026
M2 Cognition Naturelle et Artificielle (CNA)				
M2 Génie Electrochimique pour la conversion et le stockage de l'énergie (GECS)				
 M2 Signal ImaGe processing Methods and Applications (SIGMA)				
 M2 MAterials Science for NUClear ENergy (MANUEN)	15/11/2025	15/05/2026		On going basis
